10 September 2019

Dear families

Welcome to a new school year at Lyndhurst! We hope you had a restful summer and your children are ready for the exciting learning opportunities they will experience.

Our classes of 2018/19 produced an improved performance in SATs. As we commence another year, the staff, senior leadership team and the Local Governing Board will continue to build on the successes to raise standards for our pupils at all levels within the school. Working together I'm confident that we can help all of our children to realise their full potential and achieve success, because at Lyndhurst every child matters!

By now our pupils will have settled into their new classrooms and will be looking forward to the year ahead. It is the passion, dedication and enthusiasm of our 'Lyndhurst community' that opens every child's mind and inspires them to achieve greatness. At Lyndhurst we will collectively fulfil our vision of Shaping the Future, Making Memories. Ready for Life.

This year we will be awaiting 'the phone call' to tell us we will be inspected by Ofsted. I am confident that the Lyndhurst team will evidence the vast improvements that have been made in school since our last inspection.

Throughout the year members of the Local Governing Board (LGB) will visit school to talk with staff, pupils and parents. Your new parent governors this year Nazeen Akhtar and Preeti Visram will provide a strong voice for families.

We hope that you will continue to support your child's learning and the school by taking part in activities and events organised in school.

Many thanks for your continued support!

Regards
Sheila Garara
Chair of Lyndhurst Local Governing Board
